Today's Market Reports

RENEWED STRENGTH SHOWN IN THE STREET

(By Lensed Wire to Evening Herald.)
New York, March 5.—Fortified by large speculative orders for the principal stocks and signs of a better demand for a wide assortment of minor specialties, the market displayed general strength for a time today. Appearance of advanced statements, including Reading's showing further increases in earnings, had only a temporary influence and it was not until acute weakness developed in Chesapeake and Ohio that the upward movement was checked. The provisions of the Chesapeake and Ohio note issue calling for expenditures of \$17,000,000 for improvements in the next five years, before the dividends are paid caused the stock to sell down five points to 59. Bear operators made the most of this slump and sold stocks all through the day, depressing prices under yesterday's close.

Bonds were irregular.
Reactionary tendencies were in the main checked by mid day but continued to present features of weakness. Beet Sugar dropped 2 1/2. General Motors advanced 4 points.
Eastern railroad stocks showed general weakness following a further break in Chesapeake and Ohio to 58 1/4. Baltimore and Ohio gave way 2 points and Reading and Lehigh Valley 1.

The market closed steady. Completion of forced liquidation in various spots removed a load from the market and prices mended somewhat in the final hour. New Haven jumped 3 points.

The more important stocks closed as follows:
Amalgamated, 74 1/4.
Sugar, 102 1/4.
Atchafalpa, 37 1/4.
Reading, 105 1/4.
Southern Pacific, 94 3/4.
Union Pacific, 159.
Steel, 65.
Steel, preferred, 110 1/4.

CHICAGO GRAIN AND PROVISION MARKET

Chicago Grain.
Chicago, March 5.—After an easy start today wheat rallied but the hardening of prices was due more to absence of offerings than to any special demand. Notice of export sales of Omaha tended slightly to help the bulls. The opening was unchanged to 1-3/8@1-1/2 lower, but the reaction carried the market above last night's level all around. The close was weak.

Prospects of country roads soon breaking up gave firmness to corn. At the outset prices varied from 1-3/8 off to a shade, advance, rose gradually to a material extent. Closing prices were 1-4/8@3-3/8 to 3-1/2 under last night.

In the oats crowd, buying on the part of cash buyers was only scattering. Selling was only scattering.
Falling off in receipts of hogs at western centers as compared with a week ago furnished an excuse for a slight upturn in provisions. Demand was chiefly for lard.
